Dear Sir or Madam,

The following products have been checked for compliance with the requirements of the EU-REACH Regulation (EC) No. 1907/2006:

Client Part No.	Description	Schaeffler Part No.	REACH substances
N/A	Linear unit EMA-100	EMA-100- xx-xxxx-xxxxxxx-xxxxxx-xxx <i>starting with serial no. L06294098 (x: any alphanumeric character)</i>	Lead in used aluminum, steel and copper alloys, CAS No. 7439-92-1
N/A	Gear box GB	GB-100-G x-xxx-xx-xxx <i>starting with serial no. L06294098 (x: any alphanumeric character)</i>	Lead in used aluminum, steel and copper alloys, CAS No. 7439-92-1

One or more article(s) delivered from the Schaeffler Group to whom it may concern contain Lead CAS No.: 7439-92-1 found on REACH SVHC Candidate List (valid on February 20, 2025) above 0.1% by weight of article.

The latest list may be accessed here:

[Candidate List of substances of very high concern for Authorisation - ECHA \(europa.eu\)](#)

This information is due to the best of our knowledge and based on the information supplied by our vendors.

The information given corresponds to our state of knowledge at the time of issuing this certificate. This certificate is not automatically updated in case of changes in laws, standards or products.

Schaeffler is a worldwide company with customers in all areas of the industrial application and is doing continuous efforts to meet product material requirements in order to comply with regulatory requirements in the market.

For further questions about product material compliance like REACH, RoHS, California Proposition 65, Dodd-Frank Act (Conflict Minerals) and other technical compliance requirements, please contact your local Sales Representative.

Kind regards,
Ewellix Switzerland AG
Oristalstrasse 97, 4410 Liestal, Switzerland
