

REACH Compliance Declaration

REACH Regulation and Substances of Very High Concern within EWELLIX Group (Taoyuan)

Dear customer,

EWELLIX Group (Taoyuan) is complying with the REACH regulations as they come into effect. We are predominantly a downstream user of chemicals as defined in the regulations. EWELLIX Group (Taoyuan) is complying by communicate both up and down the supply chain to ensure the continuity of supply of substances and preparations that are approved and safe to use.

One section in the REACH regulations is about so-called substances of very high concern (SVHC). Such substances, as defined in REACH annex XIV, are dangerous and can be made subject of authorization. Restricted substances will finally appear in REACH annex XVII.

The best of our knowledge the products produced by EWELLEX Group (Taoyuan) starting with the following letter combination, do not include any Substance of Very High Concern which are on the Candidate List above 0.1% .
