

1. Product Name	Urinal Screen																										
Description of use:	Fragrant urinal plastic mat. (With 30 day impregnated deodorant. Fits all urinals) To lie in a urinal basin only, Not to be used for cleaning or to come into contact with skin when the urinal is in use.																										
2. Classification / identification:	<div>Article of a PVC compound with a fragrance release.</div> <table><tr><td colspan="3">Chemical Names:</td></tr><tr><td>Polyvinyl chloride compound</td><td></td><td></td></tr><tr><td>Substance:</td><td>CAS No</td><td>Percentage</td></tr><tr><td>PVC Resin</td><td>9002-86-2</td><td>48%</td></tr><tr><td>Plasticizer (JAYFLEX DINP)</td><td>68515-48-0</td><td>44%</td></tr><tr><td>Stabilizer (Ca/Zn)</td><td>557-05-1</td><td>3%</td></tr><tr><td>Epoxidised soya bean oil</td><td>8013-07-8</td><td>4%</td></tr><tr><td>Others</td><td></td><td>1%</td></tr></table>			Chemical Names:			Polyvinyl chloride compound			Substance:	CAS No	Percentage	PVC Resin	9002-86-2	48%	Plasticizer (JAYFLEX DINP)	68515-48-0	44%	Stabilizer (Ca/Zn)	557-05-1	3%	Epoxidised soya bean oil	8013-07-8	4%	Others		1%
Chemical Names:																											
Polyvinyl chloride compound																											
Substance:	CAS No	Percentage																									
PVC Resin	9002-86-2	48%																									
Plasticizer (JAYFLEX DINP)	68515-48-0	44%																									
Stabilizer (Ca/Zn)	557-05-1	3%																									
Epoxidised soya bean oil	8013-07-8	4%																									
Others		1%																									
Supplier:	Robert Scott & Sons Ltd																										
3. Label Elements:	<div>Label in accordance with (EC 1272/2008)</div> <div></div> <div>Signal Word: Irritant</div>																										
4. Possible Hazards:	<div>Components: Less than 10 PPB Vinyl Chloride monomer.</div> <div>Irritation to the skin or eyes.</div>																										
5. Precaution	Wear rubber gloves.																										
6. First Aid Measures:	Skin or eye contact – Wash thoroughly for 15 minutes and if irritation persists consult your doctor.																										
7. Fire – Fighting Measures:	Use Foam or powder to extinguish the mat when on fire. (Use other types of extinguishers appropriate to the general area).																										
8. Accidental Release Measures:	None - This product only releases a fragrance.																										
9. Handling and Storage:	Wear protective gloves when removing from packaging and store in a cool dry place out of direct sun light.																										
10. Exposure Controls/personal protection:	No other protective clothing are required while in use, gloves and any other clothing as deemed necessary from the customers risk assessment are to be used when cleaning the urinal.																										

11. Physical and chemical properties:	PVC article with Less than 10 PPB Vinyl Chloride monomer.
12. Stability and reactivity:	Stability of the product may change if exposed unrecognised dangerous chemicals or fire.
13. Toxicological information:	None supplied.
14. Ecological information:	None supplied.
15. Disposal considerations:	Dispose in accordance with your local authority for PCV / plastics.
16. Transport information:	No special transportation required.
17. Regulatory information:	Dispose of in the correct manor for contaminated plastics.
18. Other Information:	This Safety data sheet has been prepared by Robert Scott & Sons Ltd in accordance with the HSE regulation 5 and schedule headings 4 of the regulations, with the data provided by the manufacturer. Robert Scott & Sons Ltd holds no responsibility if the product is used in any other way than it is intended or the above information has not been followed.
